

FCS & FCSS POSTERING POLICY

This policy page outlines the Dean's Office and Student Society Policy around posters in FCS buildings. When we see signs not following our collective rules, the posters will be taken down.

01

FCSS Funded Events

All events funded by the student society must include the FCSS logo on posters.

02

Stamp of Approval

All events/initiatives, including events not funded by the student society, need the stamp of approval.

03

FCS Buildings

Posters with the FCSS Stamp can be placed in SHE, EPH, DCC, and SBB. The Stamp also helps FMD know when to take down the sign.

04

Tape Rules

White Paper Masking Tape or Painters Tape is the preferred tape for SHE, EPH and SBB. Tape shall not be used in the DCC due to the wall materials.

05

Removable square mounting tabs

Wall removable square tabs shall be used solely in DCC. Student Groups can pick them up at Staples or the Student Society office.

06

Unapproved Posters

Unapproved posters will be taken down when noticed by the Dean's Office and the Student Society.
